NTGO
an Oncology Medical Home

Dear Patient,

We are an Oncology Medical Home (OMH) whose focus is on gynecologic cancers and complex gynecologic issues. Due to the complexity of your diagnosis, your primary care physician has referred you to us. As an OMH we keep our patients informed and involved in their care. No matter your diagnosis, we will not alter our commitment to you nor to our mission of providing quality care at the lowest cost from friendly and compassionate staff. More information about an Oncology Medical Home can be found on our website.

Prior to your first appointment, a nurse navigator will call to provide you with their name and direct phone number. In the coming days and months to follow, should you be uncertain which staff member should assist you with your question or need, your nurse navigator can always be reached to help facilitate this for you.

Included in this packet is your new patient paperwork. Please complete **all documents** prior to your appointment and arrive with these documents, your driver's license, and insurance card, no less than thirty (30) minutes prior to your appointment time. This additional time will provide the front desk the opportunity to transfer this important information into your electronic chart. Educational information, appointment information, and many of your healthcare records can be accessed through our online patient portal, Carespace. If you did not access your new patient paperwork through this valuable patient portal, please call and provide your nurse navigator with an email address to receive a link to log on.

NTGO has three locations. Below is a grid showing where your physician's clinics are throughout the week. Because office locations may provide different services, be sure you are certain of the location of any future appointments.

	Alan Muñoz, M.D.	Thomas Heffernan, M.D.	Graham Brown, D.O.	Matthew Carlson, M.D.
Monday	Dallas (Park Central)			McKinney
Tuesday		Medical City of Plano	Dallas (Park Central)	
Wednesday	Dallas (Park Central)			McKinney

RELATIONSHIP TO PATIENT

PATIENT FINANCIAL RESPONSIBILITY

NTGO
an Oncology Medical Home

Thank you for choosing North Texas Gynecologic Oncology to serve your healthcare needs. Our physicians and staff look forward to providing excellent care to you and will work hard toward keeping the financial portion of your visit clear, up-to-date and concise. To better understand how you can assist us in accomplishing this goal, please read the information below.

1. **INSURANCE CARDS**: Please be prepared to show the receptionist your ***current*** insurance card each time you come to our office so we can verify our system contains up-to-date information.
2. **COPAYMENTS, DEDUCTIBLES and CO-INSURANCE BALANCES**: Many insurance companies require a copayment for each date of service. NTGO has a contractual obligation with your insurance company to collect this copayment. ***If your insurance plan requires you to pay a copayment, co-insurance and/or deductible, please be prepared to do so at the time of service unless other arrangements have been made.*** Once your claim is filed, the insurance company will pay the portion of the claim they are contractually obligated to pay and the balance will be the responsibility of the insured. You will receive a monthly statement showing your balance as of the date the statement was printed. If your next appointment at our office is prior to the due date, you can choose to pay your balance in our office. Alternatively, you can pay your balance by mailing us a check or using the online feature at northtxgynonc.com.
3. **CHANGES IN INSURANCE**: Insurance plans can change during the year due to employers changing plans or employees changing jobs***. Should your insurance plan change, please contact the business office immediately. In the event you undergo chemotherapy treatment, please understand that an insurance company may take a couple of weeks to approve a treatment.*** If we are not given ample notification of a change in insurance, your treatment could be delayed or you could be financially responsible for any unpaid services.
4. **COBRA:** If you should lose your insurance and are planning on converting to a COBRA plan, please notify us immediately to avoid potential delays in your office visit, surgery or treatment.
5. **INSURANCE CORRESPONDANCE**: Information received in the mail from your insurance company should always be responded to quickly and completely. Failure to respond to an insurance inquiry may delay payment of services. Should you need help in understanding or completing the inquiries, please ask to speak with someone in our business office.
6. **Referrals and Authorizations**: Please be aware your insurance plan may require a referral or authorization for us to provide services to you. If you do not provide this information to us prior to your appointment, our office will be unable to bill your insurance company for services provided and you will be held responsible for them.
7. **PAYMENT PLANS**: If you are unable to pay your statement in full each month, a payment plan may be approved for you. If it is determined you are in need of a payment plan, please honor your payment agreement to avoid potential visit, surgery or treatment delays.
8. **MEDICARE INFORMATION AVAILABLE**: If you are eligible for Medicare, or will become eligible in the coming year, please ask someone in our business office for additional information on the benefits of enrolling in Medicare even if you and your spouse are currently working and receiving commercial insurance.
9. **ABN**: In the event your insurance company does not cover certain services recommended by our physicians, you may be requested to sign an ABN (Advanced Beneficiary Notice) and pay for these services out of pocket.
10. **UNDERSTANDING YOUR INSURANCE**: The business office will work diligently towards making the financial part of your treatment go smoothly; however, it is important for you, as the patient, to understand your policy and coverage as services not covered by your insurance are your financial responsibility.
11. **SELF-PAY**: Self-pay patients should be prepared to pay the full office visit amount, including any additional services performed during the office visit, at the time of check out.
12. **RETURN CHECK FEE**: A $25.00 return check fee will be added to your balance for any non-paid payment received.
13. **REFUNDS**: Refunds are issued when an overpayment has been identified. If you feel a refund is due, please contact us.

By signing below, you indicate you have been made aware of your financial responsibilities.
